Find a Patient-Centered Medical Home

1. Select how many miles you are willing to drive to receive care and enter your zip code.
2. Select "MPSERS" as your health plan.
3. Select "MPSERS Blue Preferred (PPO)" if you are non-Medicare or "MPSERS Medicare Plus Blue" if you are Medicare.
4. Enter the 3-letter prefix from your Blue Cross card if it is different than what is listed on the screen.
5. Select "Doctor, specialist, and medical professional" in the Step 3 box for "What are you looking for?"
6. Select "Patient-Centered Medical Home" in the Step 4 box and click on "Go".
7. This will generate a list of providers in your area.
8. If there are no providers in your area, you may need to expand the number of miles you are willing to travel.

Click here to go the Blue Cross website to find a PCMH doctor.
