PRIORITYHMO[SM] **PLUS PLAN**
MICHIGAN PUBLIC SCHOOL EMPLOYEES RETIREMENT SYSTEM (MPSERS)
Effective January 1, 2018 through December 31, 2018

The HMO Plus plan offers you a choice of two benefit levels. The **HMO Benefit** level applies when your Primary Care Provider (PCP) or other Participating Physician coordinates all of your medical care. Your out-of-pocket costs are lower when you use this option. The ***Travel Benefit** level is designed to extend benefits while you are traveling outside of the Priority Health Service Area but within the United States. Services you receive that are excluded from coverage are not paid at either benefit level.

The following information is provided as a summary of benefits available under your HMO Plus plan. This summary is not intended as a substitute for your Certificate of Coverage and Schedule of Copayments and Deductibles. **It is not a binding contract. Limitations and exclusions apply to benefits listed below.** Coverage for services is based on Medical/Clinical Necessity as determined by Priority Health's Medical Department. A complete listing of covered services, limitations and exclusions is contained in the Certificate of Coverage, Schedule of Copayments and Deductibles and any applicable riders issued to you. You may request a copy of the Certificate of Coverage from Priority Health's Customer Service Department at 616.942.1221 or 800.446.5674 or online at priorityhealth.com. Contact Priority Health's Customer Service Department if you have questions about your benefits or coverage.

Copayment = Member pays
% Coverage = Priority Health pays

Deductible	**HMO Plus Benefit – 90/10% Plan**	***Travel Benefit – 70/30% Plan**
A Deductible is the amount of covered expenses you must incur during the Contract Year before benefits will be paid. Deductible amounts you pay are excluded from any out-of-pocket maximums. Deductible amounts satisfied under the HMO Plus Benefit Level do not apply toward the Travel Benefit Level deductible and vice versa.	The Deductible is applicable to all covered services except for flat dollar Copayment services.	The Deductible is applicable to all covered services.
Individual Deductible per Contract Year	$650	$1,300
Family Deductible per Contract Year	$1,300	$2,600
Note: Services applied to Individual Deductibles will be combined to satisfy the Family Deductible. The Family Deductible is not to exceed the Individual Deductible per person.		

Maximums	HMO Plus Benefit – 90/10% Plan	Travel Benefit – 70/30% Plan
Note: Out-of-Pocket maximum is the amount of covered expenses that you and/or your covered dependents will pay. Only Coinsurance for inpatient and outpatient services applies to out-of-pocket maximum. Out-of-Pocket maximum amounts satisfied under the HMO Plus Benefit Level do not apply toward the Travel Benefit Level deductible and vice versa.	If the individual out-of-pocket maximum is reached during a Contract Year, Priority Health will pay 100% of covered hospital expenses incurred by that person for the rest of the Contract Year. If the family maximum is reached during a Contract Year, Priority Health will pay 100% of covered hospital expenses for you and all of your covered dependents for the rest of that Contract Year. .	All services apply to out-of-pocket maximums except Durable Medical Equipment; Prosthetic & Orthotic Devices; Treatment of Temporomandibular Joint Syndrome; Orthognathic Surgery Services; Family Planning/Infertility Services; any flat dollar Copayments, such as Copayments for office visits, ambulance and emergency services, Port Wine Stains, Certain Surgeries Professional Fees and Penalty charges.
Individual Out-of-Pocket Maximum per Contract Year	$850	$1,700
Family Out-of-Pocket Maximum per Contract Year	$1,700	$3,400
Maximum Individual Lifetime Benefit	Not Applicable	$1,000,000
Note: Priority Health Benefit Maximum: Coverage maximums up to a certain number of days/visits per Contract Year are reached by combining either HMO Plus or Travel Benefits up to the limit for one or the other, but not both. (Example: If HMO Plus Benefit is for 60 visits and Travel Benefit is for 60 visits, the maximum benefit is 60 visits, not 120 visits). The Family Out-of-Pocket is not to exceed the Individual Out-of-Pocket maximum per person.
