

ARE YOU A FUTURE PUBLIC SCHOOL RETIREE?

As a public school employee, you're making contributions to your retirement savings with each paycheck. Join the effort to protect your financial future with a **MARSP Associate Membership**.

ABOUT MARSP

MARSP works at the legislative level on behalf of ALL public school employees. We are your nonpartisan lobbying partner on the issues impacting your retirement savings and future retirement benefits. With a team of full-time staff and a hired lobbyist, MARSP maintains constant communication with key leaders in Lansing and tracks every bill with the potential to impact your future retirement.

While you're busy working for Michigan students, MARSP is working to protect your future. Join MARSP and join the effort to defend the benefits of yesterday's, today's, and tomorrow's public school retirees!

WHY SHOULD I JOIN MARSP WHILE I'M STILL WORKING?

As a member, you'll receive information to help you navigate the road to retirement. We connect members to resources and subject matter experts based on current events and member needs. Your membership also comes with a subscription to our quarterly magazine, **VANGUARD**, and monthly e-newsletter, **VISION**.

MARSP advocates to protect your retirement contributions and future benefits.

A MARSP membership comes with discounts on things like travel, technology, and insurance.

The MARSP Foundation offers professional development scholarships, as well as classroom assistance through DonorsChoose.

We connect friends and colleagues through state and local activities, legislative advocacy events, volunteer and leadership opportunities, the MARSP Travel Program, seminars, webinars, and workshops.
