

# ARE YOU A FUTURE PUBLIC SCHOOL RETIREE?

As a public school employee, you're making contributions to your retirement savings with each paycheck. Join the effort to protect your financial future with a **MARSP Associate Membership**.

## ABOUT MARSP

Established in 1951, MARSP works in Lansing to protect and enhance the public school retirement system for ALL current and future retirees. From the moment you choose a retirement plan to your well-deserved retirement day, MARSP is here to provide you with support, resources, and advocacy every step of the way.

While you're busy working for Michigan students, MARSP is working to protect your future. Support our efforts by becoming a member at [www.marisp.org/join](http://www.marisp.org/join).

## WHY SHOULD I JOIN MARSP WHILE I'M STILL WORKING?

As a member, you'll receive information to help you navigate the road to retirement. We connect members to resources and subject matter experts based on current events and member needs. Your membership also comes with a subscription to our quarterly magazine, VANGUARD, and monthly e-newsletter, VISION.

MARSP advocates to protect your retirement contributions and future benefits.

A MARSP membership comes with discounts on travel, technology, insurance, and many other products and services.

The MARSP Foundation offers professional development scholarships to those pursuing a career in the public school arena, as well as classroom assistance through DonorsChoose.

We connect friends and colleagues through state and local activities, legislative advocacy events, volunteer and leadership opportunities, the MARSP Travel Program, seminars, webinars, and workshops.
